### Highlights of the Week!

This was a short week, and the highlight was our Remembrance Day assembly on Wednesday. It is a solemn occasion, and I am so very proud of all of our students. They were thoughtful, respectful, and engaged in the message of remembrance and kindness. I'm grateful to our teachers, and the time they took to create class wreaths, and in their discussions of how we can make the world a better place.

### One School One Book

We are excited to jump into our 4th One School One Book adventure! We are grateful to the Kiwanis Club and our PAC for, once again, supporting literacy in our school with generous donations **so we could buy a copy of our new book for each family at our school!** This November we will be reading:

## Sometimes I feel like a FOX ~ by Danielle Daniel

Our goal is to foster a community of readers at our school. Everyone - students, parents, teachers, administrative

SOMETIMES I FEEL LIKE A FOX

Danielle Daniel

staff - will be participating, and we can all reap the benefits as we come together to enjoy the experience of a shared book.

One school One book is a special program because children at all grade levels will be listening to the same book. Strange or daring as that may seem, it makes sound educational sense. Reading professionals recommend reading material out loud that is beyond a child's own reading level, and we also believe that it is wonderful to read chapter books with your older children, even when they can read by themselves. We have selected a beautiful picture book that can be read over and over again this year.

Your family's copy of the book will be coming home on Monday, November 14<sup>th</sup>! Here's the plan:

- **Read the book a few times during the first week (November 14-18).**

As you read, discuss what animal your child relates to that day!

- **Read the book for a second week (November 21-25).**

With your child, make a mask at home that relates to your child's favourite animal in the book. Bring your mask in by November 25<sup>th</sup> to share with the class, and to have your name entered for a chance to win a prize!

We hope everyone will love exploring our feelings with this book! With your help, we can continue to foster a community of readers at CPark.

## Exciting news – a CROSSWALK!!

After many years of wishing and asking the city, **we are getting a crosswalk put in in front of the school!** Hooray! This will be such a wonderful help to classes going on field trips to Mill Lake, and children/families crossing the road to walk to school. 😊 The city has let me know that construction will start some time in November, so...any time! The crosswalk will go on the North side of the school, where our property joins that of the church next door. I'm not sure how long the process will take, but I'm excited to watch it begin!

## Lunch Program

Last year we tried out a lunch program where families are able to order lunch for their children and have it delivered to the school.

We will again be offering that program starting next week. 😊

Please know that this is completely voluntary, and is handled through a company outside of the school. If you are interested, please see their website for details! The website is:

**FAQs**

Q: When is the deadline to order/cancel?  
A: All orders must be submitted two days before delivery at noon. For example, Monday's order must be placed by Saturday at noon. It is the same deadline for cancellations.

Q: My child is unwell, can I cancel the day of delivery?  
A: We accept email cancellations up to 8am on the day of delivery. Please email us at [fuelup@simplyfoods.ca](mailto:fuelup@simplyfoods.ca). If passed deadline, please notify the school on your child's absence and arrange to pick up your child's lunch before the end of the day.

Q: How do I know my order was confirmed?  
A: If the order is successfully placed, there will be a green bar at the top stating "Payment Successful" and an email confirmation will be sent. Occasionally, orders are left unpaid and pending in the shopping cart and the order will not be delivered.

Please email [fuelup@simplyfoods.ca](mailto:fuelup@simplyfoods.ca) or call us at 604-620-5474 if you have any questions- We'd be happy to help!

## Outside Playtime

The rain and cold has come! Please remember to send your child with a warm rain jacket, rain footwear (boots, shoes that can get wet, etc), and warm enough clothing. We will be going outside every recess unless the weather is *really* bad...we know that it is so important for our students – and ourselves! – to get fresh air and exercise, even if it is wet and cold outside. It would also be really helpful for you to send an extra change of clothes in their backpacks, in case they get wet! That might save you a trip to the school to come to the rescue if they fall in a puddle. 😊

## PAC Info

We will be hosting a **FREE Holiday Family Movie Night on Friday, December 2nd**. More details will come. We will have a concession where you can purchase snacks and drinks!

## Old News (but still relevant! 😊)

### A reminder – Volunteering at the School

We are so grateful whenever parents/guardians/grandparents want to volunteer to help out at the school or on field trips! Something that I've recently discovered is that **all volunteers need to have a criminal record check done by the district.**

The process is quite simple – you only need to bring 2 pieces of ID to the school board office (2790 Tims Street). You can fill out the paperwork there, and the criminal record check will be done. Once you have it done, it's good for the whole district for 5 years.

If you think you might be interested in volunteering, either in our classes or on field trips this year, I encourage you to go and get this done ASAP so you're ready to go! 😊

### Parking and Pick-up Reminders

One of the very wonderful things about our school is that we have access to the church parking lot next door, with lots of parking! Please park there when dropping off or picking up your children, so that our parking lot at the school stays safe and free of traffic for our kids.

Sometimes you'll need to pick up your children during the school day for appointments, etc. If possible, it's really helpful if you can send a note or email to the teacher in the morning to let them know this is happening

(sometimes at the office we have no clue, and we don't want to waste your time while we track down your kidlets! 😊). **When you pick up during the day, please come to the office, and not to the classroom door.** We need to make sure we sign them out and don't want to interrupt the classroom learning that is going on. Thank you!

## Family Supports and Workshops

Being a parent or caregiver is the toughest job out there! Sometimes we need extra supports so that we can better help our struggling little ones (or not so little ones!). Whenever I get information about parent groups that are offered in our community, I'll be sure to pass them along to you – both in the newsletter, and on our school website in the News Hub. Below are two flyers outlining some of the workshops that are available over the next few months. Please check them out if you are interested!

It's really tough to be going through hard stuff with a child or youth who is struggling with their mental health and they end up in crisis – and we want to help you. We know what it's like because we've been there.
