Our Week!

What a great and busy week! It was so wonderful to see so many families in the school on Wednesday and Thursday, exploring their child’s classroom and seeing how hard they have been working. My favourite thing is to watch children showing off with pride to their loved ones, and we are so grateful so many of you were able to come and share that joy. 😊

A reminder, too, that we have a **skating day coming up on February 22nd**. This is the make-up day for the one that was cancelled due to snow. If your child is going (divisions 1-11), you don’t have to pay anything else but **you do need to go in (AGAIN) and sign the permission form on School Cash Online** (we know it’s a pain...but we have to have the right permission form for the right day!).

Parking Reminder!

Parking at most schools is an ongoing issue! 😊 As you may have noticed, we have been working hard lately to remind families that the parking lot of the school is only for staff.

We have grown by over 20% since last year, and we need all the parking spots for our staff!

Even if they appear to be empty when you drop off, please know that most of our support staff arrives right at the bell, as that is when their shift starts. That's why we ask that you please not park in any spaces in the school parking lot.

We are fortunate that we have the church parking lot next door that we can use, as it's just a quick walk from there to our school grounds. We also now have access (usually!) to the mall parking across the street, and a wonderful crosswalk you can use.

Thank you for keeping our parking lot safe and available for staff! 😊

Grade 5 Legacy fundraising

Every year our grade 5 students raise money to leave a legacy gift for the school. This year, our grade 5s have decided to raise money for a new Buddy Bench for our playground! We are so excited about this, and hope you can help them fundraise.

Shop early for your Easter treats or something special over Spring Break while supporting our Grade 5's with their Legacy Fund.

Their goal is to purchase a new Buddy Bench.

Family Supports and Workshops

Being a parent or caregiver is the toughest job out there! Sometimes we need extra supports so that we can better help our struggling little ones (or not so little ones!). Whenever I get information about parent groups that are offered in our community, I'll be sure to pass them along to you. 😊

'intheknow'
Connect and Learn

For families and caring adults who are parenting a child or youth with mental health and/or substance use challenges.

EVERY MONTH, WE HOST EVENTS FOR FAMILIES CALLED 'IN THE KNOW.' WE WATCH A VIDEO AND SHARE EXPERIENCES AND STRATEGIES THAT HELP IN THE HARD MOMENTS. WE HELP FOCUS ON STRENGTHENING OUR UNDERSTANDING AND CONNECTION WITH OUR KIDS.

For Families: A Conversation about Eating Disorders

Families do not cause eating disorders but they can be one of the most effective influences in their child's recovery. Listen to a young person, a parent and an Eating Disorders Therapist share their perspective and knowledge as they talk about the continuum of disordered eating, what to be aware of, the importance of connection, and strategies that help support recovery.

Come together with other families to watch this 40 minute video presentation followed by a facilitated discussion by a FamilySmart Parent Peer Support Worker.

Old News, But Still Relevant!

Outside Playtime

The rain and cold have come! Please remember to send your child with a warm coat, rain footwear (boots, shoes that can get wet, etc), and warm enough clothing. We will be going outside every recess unless the weather is *really* bad...we know that it is so important for our students – and ourselves! – to get fresh air and exercise, even if it is wet and cold outside. **It would also be really helpful for you to send an extra change of clothes in their backpacks, in case they get wet!** That might save you a trip to the school to come to the rescue if they fall in a puddle.

Garbage on the Playground

Please have a look around you after using the playground or field before/after school and on the weekends, to pick up any juice boxes, wrappers, or other items that may have fallen to the ground while your kidlets are playing. 😊 Before school started we had an amazing group of kids and families who helped clean up our school grounds, and we want to keep it clean and tidy! We work on that as well with our students – together we can keep our CPark school grounds looking amazing!
